The definitive monograph of the visionary design team, celebrating their twentieth anniversary. Michael Amzalag and Mathias Augustyniak are among the most distinctive and influential voices in contemporary graphic design. Through close associations with the music, fashion, and art worlds, M/M have developed one of the most original and striking visual languages in the world. Originally working for independent music labels, M/M caught the attention of the fashion world, working for Calvin Klein, Jil Sander, Kenzo, Givenchy, Yohji Yamamoto, and Nicolas Ghesquière at Balenciaga, eventually landing them the art directorship of Interview and French Vogue, as well as rich long-term collaborations with independent producers and music artists, notably Madonna and Björk. Although print and an illustrative approach to typography lie at the heart of M/M's work, they have also produced unexpected three-dimensional designs for the stage, restaurants, and the perfume industry. Featuring interviews with key collaborators and design by the cutting-edge Graphic Design Facility, this ambitious monograph is a rare insight into the world's most intriguing—and iconoclastic—image-makers. About the book's organization: The alphabet is a recurring theme in the work of M/M (Paris) which provided an appropriate motif to create a "dictionary" of the project that appear in these pages. Like the cutting and restacking of a pack of cards, the book has been rearranged so that it opens with the letter M for "Michael" and closes with the letter M for "Mathias". Accordingly, it opens on page 311 and concludes on page 310. Contributions for this book include Hans Ulrich Obrist, Björk, Inex van Lamsweerde, Glenn O'Brien, Sarah Morris, Philippe Parreno, and Pierre Huyghe. The first complete monograph on Antonio Lopez, the influential Warholian fashion illustrator of the 1960s, '70s, and '80s. Best known for dazzling illustrations in Women's Wear Daily, Vogue, the New York Times, Interview, and for high fashion labels, Antonio Lopez (1943-1987) was a force majeure in the fashion world for three decades. In the '60s, Lopez's vibrant illustrations helped usher youth culture into the pages of magazines, setting a new, free-flowing, sexually liberated standard for fashion imagery. Living in Paris during the 70s with his creative partner Juan Ramos, Lopez launched the modeling careers of Jerry Hall, Grace Jones, and Jessica Lange among others, worked with design royalty like Karl Lagerfeld and Yves Saint Laurent, and cultivated a soigné nightlife persona in the blistering-hot underground clubs of Paris. Returning to New York City in 1976, Antonio documented the sexy influence of athletic-wear, puffy, down coats, and break-dancing style, inspiring such designers as Norma Kamali and Anna Sui. Widely recognized during this period as the world's most influential fashion illustrator, Antonio's work took on a deeper, more sculptural dimension in the 80s, richly detailed, with a vivid palette, and heroic proportions and poses. So deft and varied in his expression, Antonio Lopez simultaneously executed campaigns for labels as diverse as Norma Kamali, YSL, Valentino, Missoni, and Versace--an unprecedented feat in a highly competitive industry. The prolific Lopez produced an incredible number of drawings, illustrations, paintings, photographs, and fantastic mixed-media journals, and this book showcases his most iconic works, as well as never-before-seen Instamatic photos, behind-the-scenes Polaroids, letters, and ephemera which, together, provide an understanding of the career trajectory of an extraordinarily talented artist, and convey Antonio Lopez's enduring influence on fashion today. "I'm from the generation that came to New York to meet their idols. In my case it was Andy Warhol and Antonio Lopez." --Anna Sui This fun introduction to design opens the world of style to budding fashionistas.
