This book looks at adaptations, translations and performance of Shakespeare's productions in India from the mid-18th century, when British officers in India staged Shakespeare's plays along with other English playwrights for entertainment, through various Indian adaptations of his plays during the colonial period to post-Independence period. It studies Shakespeare in Bengali and Parsi theatre at length. Other theatre traditions, such as Marathi, Kannada, Malayalam and Hindi, have been included. The book dwells on the fascinating story of the languages of India that have absorbed Shakespeare's work and have transformed the original educated Indian's Shakespeare into the popular Shakespeare practice of the 19th and 20th centuries, and the unique urban-folkish tradition in postcolonial India. This book investigates language disorders in children who speak languages other than, or in addition to, English. The chapters in the first section of the volume focus on language disorders associated with four different syndromes in multilingual populations and contexts. This section discusses language disorders associated with autism spectrum disorders, Down syndrome, fetal alcohol syndrome and Williams syndrome. The chapters in the second section of the book relate to language impairment in children who speak diverse languages, although the issues they address are relevant across languages and cultural contexts. The book also reviews assessment procedures and intervention approaches for diverse languages, including Bengali, Cantonese, French, Spanish, and Turkish. The volume aims to stimulate thoughtful clinical practice and further research in language disorders in multilingual populations. 3000+ Indonesian - Gujarati Gujarati - Indonesian Vocabulary - is a list of more than 3000 words translated from Indonesian to Gujarati, as well as translated from Gujarati to Indonesian.
