The actual text of the landmark crime control act passed in 1994. Covers policing, prisons, schools, firearms, & violent crime. Tribunals, Courts and Enforcement Act 2007 (UK) The Law Library presents the official text of the Tribunals, Courts and Enforcement Act 2007 (UK). Updated as of March 26, 2018 This book contains: - The complete text of the Tribunals, Courts and Enforcement Act 2007 (UK) - A table of contents with the page number of each section This unique title addresses specifically the law of corporate enforcement in Ireland, including the Corporate Enforcement Act 2000 and the subsequent remit of and powers of the Office of the Director of Corporate Enforcement. The work addresses other developments such as the recent corporate and accounting fraud scandals, and their effect on Irish law. The recent mass shooting of 22 innocent people in El Paso by a lone White gunman looking to "Kill Mexicans" is not new. It is part of a long, bloody history of anti-Latina/o violence in the United States. Gringo Injustice brings this history to life, shedding critical light on the complex relationship between Latinas/os and the United States' legal and

judicial system. Contributors with first-hand knowledge and experience, including former law enforcement officers, ex-gang members, attorneys, and community activists, share insider perspectives on the issues facing Latinas/os and initiate a critical dialogue on this neglected topic. Essays examine the unauthorized use of deadly force by police and patterned incidents of lynching, hate crimes, gang violence, and racial profiling. The book also highlights the hyper-criminalization of barrio youth and considers wide-ranging implications from the disproportionate imprisonment of Latinas/os. *Gringo Injustice* provides a comprehensive and powerful look into the Latina/o community's fraught history with law enforcement and the American judicial system. It is an essential reference for students and scholars interested in intersections between crime and communities of Color, and for use in Sociology, Latino Studies, Ethnic Studies, Chicano Studies, Criminology, and Criminal Justice.
