In 1991, Monisha's family uprooted from Sheffield to Madras in the hope of making India their home. Two years later, fed up with soap-eating rats, stolen human hearts and the creepy colonel across the road, they returned to England with a bitter taste in their mouths. Twenty years later, Monisha came back. Taking a page out of Jules Verne's classic tale, Around the World in 80 Days, she embarked on a 40,000km adventure around India in 80 trains. Travelling a distance equivalent to the circumference of the Earth, she lifted the veil on a country that had become a stranger to her. As one of the largest civilian employers in the world, featuring luxury trains, toy trains, Mumbai's infamous commuter trains and even a hospital on wheels, Indian Railways had more than a few stories to tell. On the way, Monisha met a colourful cast of characters with epic stories of their own. But with a self-confessed militant atheist as her photographer, Monisha's personal journey around a country built on religion was not quite what she bargained for... Around India in 80 Trains is a story of adventure and drama infused with sparkling wit and humour.
