An Account Of The Controversy Between Reginald Lord Grey Of Ruthyn And Sir Edward Hastings
Jul 20 2020 Excerpt from An Account Of The Controversy Between Reginald Lord Grey Of Ruthyn And Sir Edward Hastings: In The Court Of Chivalry, In The Reign Of King Henry III The recent revival of the barony or hastings in the person of Sir Jacob 'astley, Bart. As one of the coheirs of Sir Edward Hastings, the Defendant, and in his right as a coheir of Sir Henry Hastings summoned

to' Parliament in the 49th year of King Henry the Third, has given a new interest to this remarkable case. After a lapse of four centuries the dignity has been restored to one of the heirs of Sir Edward Hastings, who has successfully sued the right and inheritance after him. William Marshal Jan 26 2021 This is an examination of the career of William Marshal, 1st Earl of Pembroke and Strigul. This book looks at his life serving under four different English monarchs, beginning as tutor to Prince Henry in 1170, and finishing as regent for nine-year-old Henry III in 1216.

Chivalry and the Perfect Prince Nov 11 2019 Chivalry and the Perfect Prince is a survey of the ceremonial armor crafted for the Spanish Habsburg monarchs of the sixteenth century. It examines notable tournaments and pageantry held at the courts of Charles V and Philip II, and the artworks associated with them. Braden Frieder guides the reader through these tournaments, jousting, and other knightly exercises as part of a larger aristocratic culture that included arms and armor, paintings, tapestries, medals, and sculptures with chivalric themes. Frieder presents Habsburg tournaments in their proper historical context as an extension of imperial politics, drawing comparisons with popular chivalric literature of the period. Frieder's study utilizes extensive

primary source material and contemporary documents, many appearing for the first time in English. Included in this book are eighty-one illustrations of fine art and armor from the sixteenth century, the crescendo of the armorer's art in Europe. For the first time in print, these artworks are treated collectively, as integral parts of aristocratic life and culture during the Renaissance.

Curia Militaris Nov 04 2021 The 18th century was a wealth of knowledge, exploration and rapidly growing technology and expanding record-keeping made possible by advances in the printing press. In its determination to preserve the century of revolution, Gale initiated a revolution of its own: digitization of epic proportions to preserve these invaluable works in the largest archive of its kind. Now for the first time these high-quality digital copies of original 18th century manuscripts are available in print, making them highly accessible to libraries, undergraduate students, and independent scholars. Western literary study flows out of eighteenth-century works by Alexander Pope, Daniel Defoe, Henry Fielding, Frances Burney, Denis Diderot, Johann Gottfried Herder, Johann Wolfgang von Goethe, and others. Experience the birth of the modern novel, or compare the development of language using dictionaries and grammar discourses. ++++ The below data was compiled from various identification fields in the bibliographic record of this title. A Treatise on Courts Martial; Containing, I. Remarks on Martial Law, and Courts Martial in General. Ii. the Manner of Proceeding Against Offenders. To Feb 24 2021 This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1769 edition. Excerpt: ... A TREATISE O N Courts Martial. PART I. Of Martial Law, and Courts Martial in general. TH E Court of Chivalry, or, Marshal's Court, the Judges of which were the High Constable, and the Earl Marshal, is the Fountain of Martial Law in England. The High Constable was anciently a Person of the greatest Power, and the Post originally hereditary; but it being thought of too great Authority to

be safely intrusted with any Subject, since* B " thethe Reign of Henry the VHIth, when the Duke of Buckingham, who then held it, was executed, he has only been appointed pro hac vice. % The Office of Earl Marshal still subsists, but his Right of being one of the Judges of Martial Law seems to have long-since subsided. Neither the Origin, or the Extent of Power of the Court of Chivalry, are exactly ascertained, but from the Statute of 13th Richard II. which restrains its Jurisdiction to Things touching War, not determined by the common Law, and relative to these, requires the Constable to proceed according to ancient Usage, we may naturally conceive first, from the Restriction, that this Court had formerly a more general Jurisdiction; and, secondly, from the Reference to ancient Usage, that it had an ancient established Authority concerning these Matters; but whatever might be the original Institution of these Officers, or X Maddox's. Hist, of the Exchequer, Fol. 27, 28,29. or the Nature of their Authority, their Jurisdiction has been since limited by certain Acts of Parliament; and the Post of High Constable having been laid aside, and that of Earl Marshall confined to the marshalling, and ordering the Coronations, Marriages, Funerals, &c. of the Royal Family, and proclaiming War or Peace; there is now no such Court as the ancient established one of...

Courts of Chivalry and Admiralty in Late Medieval Europe Feb 07 2022 A multi-disciplinary approach to two of the most important legal institutions of the Middle Ages.

Chivalry Sep 21 2020 This volume, intended for the general reader, throws a great deal of light on that very characteristic feature of the Middle Ages, the institution of Chivalry. The first chapter deals with the place of chivalry in history, describing its effects and influences. Subsequent chapters address the earliest beginnings of chivalry and its manifestations in France, Germany, Spain, Portugal, etc. Among other subjects dealt with are the Courtesy books, the romances of Chivalry, and the Chivalric ideal. The book is an excellent introduction to a field that has been greatly

neglected in recent years. This edition first published in 2005. Routledge is an imprint of Taylor & Francis, an informa company.

The Italian Conception of International Law Oct 23 2020 "All the authorities on the subject, I believe, are collected in this excellent book." Sir Frederick Pollock, *The Genius of the Common Law* Although it is not known exactly when trial by combat, battle, or duel began as a method of conflict resolution, its origin certainly goes back before the feudal era. Neilson focuses on Britain and Scotland and traces this tradition from before the Middle Ages to the Appeal of Murder Act of 1819.

Knights at Court Aug 01 2021 *Knights at Court* is a grand tour and survey of manners, manhood, and court life in the Middle Ages, like no other in print. Composed on an epic canvas, this authoritative work traces the development of court culture and its various manifestations from the latter years of the Holy Roman Empire (ca. A.D. 1000) to the Italian Renaissance of the fifteenth and sixteenth centuries. Leading medievalist and Renaissance scholar Aldo Scaglione offers a sweeping sociological view of three geographic areas that reveals a surprising continuity of courtly forms and motifs: German romances; the lyrical and narrative literature of northern and southern France; Italy's chivalric poetry. Scaglione discusses a broad number of texts, from early Norman and Flemish baronial chronicles to the romances of Chrétien de Troyes, the troubadours and Minnesingers. He delves into the *Nibelungenlied*, Dante, Petrarch, Boccaccio, and an array of treatises on conduct down to Castiglione and his successors. All these works and Scaglione's superior scholarship attest to the enduring power over minds and hearts of a mentality that issued from a small minority of people—the courtiers and knights—in central positions of leadership and power. *Knights at Court* is for all scholars and students interested in "the civilizing process." This title is part of UC Press's Voices Revived program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, Voices Revived makes high-quality, peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1991.

William Marshal Jan 14 2020 Ruthless opportunist, astute courtier, manipulative politician and brutal, efficient soldier: this is William Marshal as portrayed by David Crouch in his widely acclaimed biography of 'the Marshal'. With the new translation of the contemporary epic poem, *Histoire de Guillaume de Mareschal*, and newly discovered documents, David Crouch has substantitvely re-worked and expanded his original volume. Now fully illustrated, this second edition represents a complete reappraisal of the career and character of this remarkable man, and provides a riveting account of the realities of aristocratic life in the age of chivalry.
