"One of the 50 Best Nonfiction Books of the Last 25 Years"—Slate On New Year's Day 2013, two-time Pulitzer Prize-winner Gene Weingarten asked three strangers to, literally, pluck a day, month, and year from a hat. That day—chosen completely at random—turned out to be Sunday, December 28, 1986, by any conventional measure a most ordinary day. Weingarten spent the next six years proving that there is no such thing. That Sunday between Christmas and New Year's turned out to be filled with comedy, tragedy, implausible irony, cosmic comeuppances, kindness, cruelty, heroism, cowardice, genius, idiocy, prejudice, selflessness, coincidence, and startling moments of human connection, along with evocative foreshadowing of momentous events yet to come. Lives were lost. Lives were saved. Lives were altered in overwhelming ways. Many of these events never made it into the news; they were private dramas in the lives of private people. They were utterly compelling. One Day asks and answers the question of whether there is even such a thing as "ordinary" when we are talking about how we all lurch and stumble our way through the daily, daunting challenge of being

human. 'ONE DAY is destined to be a modern classic' - Daily Mirror Twenty years, two people, ONE DAY. The multi-million copy bestseller that captures the experiences of a generation. med An urgent, on-the-scene account of chaos and compassion on the front lines of ground zero for Covid-19, from a senior doctor at New York City's busiest emergency room

“Remarkable and inspiring . . . We're lucky to have this vivid firsthand account.”—A. J. Jacobs, bestselling author of *The Year of Living Biblically* When former New York Times journalist Dan Koeppel texted his cousin Robert Meyer, a twenty-year veteran of the emergency room at Montefiore Medical Center in the Bronx, at the beginning of the Covid-19 crisis in the United States, he expected to hear that things were

hectic. On a scale of 1 to 10, 10 being overwhelmed, where do you think you are? Koepfel asked. Meyer's grave reply—100—was merely the cusp of the crisis that would soon touch every part of the globe. In need of an outlet to process the trauma of his working life over the coming months, Meyer continued to update Koepfel with what he'd seen and whom he'd treated. The result is an intimate record of historic turmoil and grief from the perspective of a remarkably resilient ER doctor. Every Minute Is a Day takes us into a hospital ravaged by Covid-19 and is filled with the stories of promises made that may be impossible to keep, of life or death choices for patients and their families, and of selflessness on the part of medical professionals who put themselves at incalculable risk. As fast-paced and high-tempo as the ER in which it takes place, Every Minute Is a Day is at its core an incomparable firsthand account of unrelenting compassion, and a reminder that every human life deserves a chance to be saved. Who invented beds? When did we start cleaning our teeth? How old are wine and beer? Which came first: the toilet seat or toilet paper? What was the first clock? Every day, from the moment our alarm clock wakes us in the morning until our head hits our pillow at night, we all take part in rituals that are millennia old. Structured around one ordinary day, *A Million Years in a Day* reveals the astonishing origins and development of the daily practices we take for granted. In this gloriously entertaining romp through human history, Greg Jenner explores the gradual—and often unexpected—evolution of our daily routines. This is not a story of wars, politics, or great events. Instead, Jenner has scoured Roman rubbish bins, Egyptian tombs, and Victorian sewers to bring us the most intriguing, surprising, and sometimes downright silly historical nuggets from our past. Drawn from across the world, spanning a million years of humanity, this book is a smorgasbord of

historical delights. It is a history of all those things you always wondered about—and many you have never considered. It is the story of your life, one million years in the making.
