

# Read Online Case Knives Price Guide Pdf File Free

*Old Knives, Xx, and More* Jan 14 2020 Knife collecting has grown tremendously in the last thirty years, and the most collected brand by far is Case. The long history of Case knives dates to 1896, when brothers John, Jean, and Andrew Case began producing knives with their stampings. Author Tom McCandless, a longtime knife collector, explores the history of Case knives from their beginning to 1920 in *Old Knives, XX, and More*. He also chronicles his own experiences as a collector in building knowledge, networking with dealers and vendors, and finding answers to questions of value and authentication. Early Case knives, current-production knives, or knives from any period between are all collectible. Some collectors focus on patterns such as whittlers, stockman, or trappers. Other collections are based on handle materials such as stag, bone, pearl, greenbone, and redbone. If you want to know more about collecting knives—including pattern numbers, handle materials, grading conditions, and pricing—this book is an essential resource.

**Hank Reinhardt's Book of Knives** Dec 13 2019 Definitive and compulsively readable<sup>3</sup>/<sub>4</sub>an illustrated guide to the use in knifefighting and beyond of contemporary knives by long-time Blade columnist and master weaponsmith, Hank Reinhardt. Deadlier than the club, more ubiquitous than the sword, the knife is the universal edged weapon of all humankind. As our society has grown more advanced, and more reliant on technology, there has been an increased interest in the weapons of the past, and this sharp-edged guide to the use of the knife will whet the appetite of expert and layman alike. At the publisher's request, this title is sold without DRM (Digital Rights Management).

**Collecting Case Knives** Dec 17 2022 The only full-color price guide devoted solely to Case pocket knives, this book features nearly 1,000 photos, current values for hundreds of pocket knives from 1920 to today, and detailed information about methods for creating knives, quirks of the pattern numbering systems, tang stamps, types of blade steels, and knife shields.

*Official Price Guide to Collector Knives* Feb 19 2023 Provides descriptions and prices for collectible knives, along with information about collecting the item, different types and brands, main components, and factors that can affect its value.

**An Edge in the Kitchen** Jan 26 2021 Why are most of us so woefully uninformed about our kitchen knives? We are intimidated by our knives when they are sharp, annoyed by them when they are dull, and quietly ashamed that we don't know how to use them with any competence. For a species that has been using knives for nearly as long as we have been walking upright, that's a serious problem. *An Edge in the Kitchen* is the solution, an intelligent and delightful debunking of the mysteries of kitchen knives once and for all. If you can stack blocks, you can cut restaurant-quality diced vegetables. If you can fold a paper airplane, you can sharpen your knives better than many professionals. Veteran cook Chad Ward provides an in-depth guide to the most important tool in the kitchen, including how to choose the best kitchen knives in your price range, practical tutorials on knife skills, a step-by-step section on sharpening, and more—all illustrated with beautiful photographs throughout. Along the way you will discover what a cow sword is, and why you might want one; why chefs are abandoning their heavy knives in droves; and why the Pinch and the Claw, strange as they may sound, are in fact the best way to make precision vegetable cuts with speed and style. *An Edge in the Kitchen* is the one and only guide to the most important tool in the kitchen.

**The International Blade Collectors Association Price Guide to Antique Knives** Jan 06 2022 Get updated prices on 40,000 knives, in six grades of condition, inside this complete guide to collecting pocketknives from 1800-1970. Grading, trends and history of more than 35 manufacturers included.

**Gun Trader's Guide to Collectible Knives** Sep 14 2022 The Gun Trader's Guide is the standard reference for collectors, curators, dealers, shooters, and gun enthusiasts, and now is extending their influence to collectible knives. Focusing mainly on old and out of production knives, the Gun Trader's Guide to Collectible Knives is the ideal gift for any knife enthusiast looking to start a collecting of their own. Parts of the guide will focus on the following: • How and where to start your collection • The value of knives and how to determine their value • How to work knife shows • How to care for older knives Each knife featured will have its own short description and will be divided by grade (very good, good, fine, etc.). Fitting in with the Gun Trader's Guide series, this guide will be updated every few years to accommodate the changing market. Skyhorse Publishing is proud to publish a broad range of books for hunters and firearms enthusiasts. We publish books about shotguns, rifles, handguns, target shooting, gun collecting, self-defense, archery, ammunition, knives, gunsmithing, gun repair, and wilderness survival. We publish books on deer hunting, big game hunting, small game hunting, wing shooting, turkey hunting, deer stands, duck blinds, bowhunting, wing shooting, hunting dogs, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

**Mastering Knife Skills** Nov 11 2019 As the number of gourmet home kitchens burgeons, so does the number of home cooks who want to become proficient users of the professional-caliber equipment they own. And of all kitchen skills, perhaps the most critical are those involving the proper use of knives. Norman Weinstein has been teaching his knife skills workshop at New York City's Institute of Culinary Education for more than a decade—and his classes always sell out. That's because Weinstein focuses so squarely on the needs of the nonprofessional cook, providing basic instruction in knife techniques that maximize efficiency while placing the least possible stress on the user's arm. Now, *Mastering Knife Skills* brings Weinstein's well-honed knowledge to home cooks everywhere. Whether you want to dice an onion with the speed and dexterity of a TV chef, carve a roast like an expert, bone a chicken quickly and neatly, or just learn how to hold a knife in the right way, *Mastering Knife Skills* will be your go-to manual. Each cutting, slicing, and chopping method is thoroughly explained—and illustrated with clear, step-by-step photographs. Extras include information on knife construction, knife makers and types, knife maintenance and safety, and cutting boards, as well as a 30-minute instructional DVD featuring Weinstein's most important techniques.

*Levine's Guide to Knives and Their Values* Aug 13 2022 This handbook partners more than 1,500 of the latest knife values with pertinent historical overviews and expanded brand lists. Numerous additions, significant pricing revisions and completely reworked sections make this a bible for collectors with a reputation for accuracy and excellence.
