Based on scores of interviews with the artist's relatives, friends, lovers, producers, accompanists, managers, and fans, this brilliant biography reveals a man of many layers and contradictions. Following the journey of a musician who left his family's poor cotton farm at age eight carrying only a guitar, the book chronicles his life on the open road playing blues music and doing odd jobs. It debunks the myths surrounding his meetings with Blind Lemon Jefferson and Texas Alexander, his time on a chain gang, his relationships with women, and his lifelong appetite for gambling and drinking. This volume also discusses his hard-to-read personality; whether playing for black audiences in Houston's Third Ward, for white crowds at the Matrix in San Francisco, or in the concert halls of Europe, Sam Hopkins was a musician who poured out his feelings in his songs and knew how to endear himself to his audience--yet it was hard to tell if he was truly sincere, and he appeared to trust no one. Finally, this book moves beyond exploring his personal life and details his entire musical career, from his first recording session in 1946--when he was dubbed Lightnin'--to his appearance on the national charts and his rediscovery by Mack McCormick and Sam Charters in 1959, when his popularity had begun to wane and a second career emerged, playing to white audiences rather than black ones. Overall, this narrative tells the story of an important blues musician who became immensely successful by singing with a searing emotive power about his country roots and the injustices that informed the civil rights era. La autora afroamericana ha elegido el este de Texas para presentarnos a Darren Matthews, un policía negro que es miembro de los Rangers de Texas y que es, hasta cierto punto, un privilegiado porque, aunque sabe lo que es la discriminación, pertenece a una familia que durante generaciones ha disfrutado de un estatus superior al del resto de la población afroamericana. A pesar de ello, cuando se inicia la novela su carrera está en la cuerda floja, precisamente por un asunto racial, así como por su obsesión por combatir los crímenes de odio, obsesión que no comparten ni aprueban sus superiores. Esto lo llevará a involucrarse, sin permiso de sus jefes, en la investigación de dos crímenes (el de un abogado negro y el de una mesera blanca) cometidos en una pequeña población rural del este de Texas. Así, Matthews se

involucrará en una investigación en la que no sólo se enfrentará a peligrosos elementos de la Hermandad Aria, sino también a la que considera su gente, profundizando en una investigación en la que junto a la identidad de los asesinos se descubrirán secretos que todo el mundo, blancos y negros, hubieran preferido mantener ocultos. Y es que Matthews, independientemente del color de su piel y del estado en el que ha nacido y crecido, es por encima de todo policía. Aunque le duela. The richly diverse ethnic heritage of the Lone Star State has brought to the Southwest a remarkable array of rhythms, instruments, and musical styles that have blended here in unique ways and, in turn, have helped shape the music of the nation and the world. Historian Gary Hartman writes knowingly and lovingly of the Lone Star State's musical traditions. In the first thorough survey of the vast and complex cultural mosaic that has produced what we know today as "Texas music," he paints a broad, panoramic view, offers analysis of the origins of and influences on specific genres, profiles key musicians, and provides guidance to additional sources for further information. A musician himself, Hartman draws on both academic and non-academic sources to give a more complete understanding of the state's remarkable musical history and ethnic community studies with his first-hand knowledge of how important music is as a cultural medium through which human beings communicate information, ideas, emotions, values, and beliefs, and bond together as friends, families, and communities. The History of Texas Music incorporates a selection of well-chosen photographs of both prominent and less-well-known artists and describes not only the ethnic origins of much of Texas music but also the cross-pollination among various genres. Today, the music of Texas—which includes Native American music, gospel, blues, ragtime, swing, jazz, rhythm and blues, conjunto, Tejano, Cajun, zydeco, western swing, honky tonk, polkas, schottisches, rock & roll, rap, hip hop and more—reflects the unique cultural dynamics of the Southwest. Sean Rima's second book of poems in his "America" trilogy is a gritty, funny, and emotionally-searing ode to Texas, grilled to perfection with a healthy dollup of booze and barbeque sauce. His most personal work to date, "Snake Farm Blues" serves as a powerful examination of divorce, parenthood, sex, love, middleage, and addiction. Featuring the intense photography of Taylor Trash Productions and starring the Otherworldly Gloria Bueno! Texas Blues allows artists to speak in their own words, revealing the dynamics of blues, from its beginnings in cotton fields and shotgun shacks to its migration across boundaries of age and race to seize the musical imagination of the entire world. Fully illustrated with 495 dramatic, high-quality color and black-and-white photographs—many never before published—Texas Blues provides comprehensive and authoritative documentation of a musical tradition that has changed contemporary music. Award-winning documentary filmmaker and author Alan Govenar here builds on his previous groundbreaking work documenting these musicians and their style with the stories of 110 of the most influential artists and their times. From Blind Lemon Jefferson and Aaron "T-Bone" Walker of Dallas, to Delbert McClinton in Fort Worth, Sam "Lightnin'" Hopkins in East Texas, Baldemar (Freddie Fender) Huerta in South Texas, and Stevie Ray Vaughan in Austin, Texas Blues shows the who, what, where, and how of blues in the Lone Star State. This high quality planner is perfect for music fans. Always carry the book with you and write down your appointments, events, notes, etc. With 120 pages, the 6x9 inch book offers you plenty of space for your personal notes at work or in your free time. From October 1959 until sometime in 1974, Paul Oliver and Mack McCormick collaborated on what was to be a definitive history and analysis of the blues in Texas. Both men were prominent scholars and researchers: Oliver had already established an impressive record of publications; and McCormick was well on his way to building what would eventually become a sprawling collection of primary materials, consisting primarily of field recordings and interviews with blues musicians from all over Texas and the greater South. But the project eventually fell apart of its own weight, a victim of ongoing disagreements between the two authors. Despite being eagerly awaited by the blues historians and ethnomusicologists who knew about the Oliver-McCormick collaboration and being openly discussed in various interviews and articles by Oliver, the intended manuscript was never brought to completion and the book was never published. In 1996, Alan Govenar, a respected ethnomusicologist in his own right, began a conversation with Oliver, whose work he had long admired, about the unfinished book on Texas blues. At Oliver's request, he arranged a meeting with McCormick, hoping to act as an intermediary, with the goal of aiding the project toward completion. His attempts were unsuccessful. Subsequently, Oliver invited Govenar to assist him in finishing the work. Much like the site report from an archaeological dig, The Blues Come to Texas: Paul Oliver and Mack McCormick's Unfinished Book provides not only a fascinating view into the results of a massive fieldwork and writing effort that is unlikely to ever be duplicated, but also affords scholars of American roots music a glimpse into the minds and work methods of two giants of blues scholarship. The blues have been a major focus of music in Texas, from the earliest days of commercial recordings right up to the present. And there has been an impressive lineage of great Texas fingerstyle blues guitarists, from Blind Lemon Jefferson, the first country blues recording star, to the impassioned singing and unearthly slide guitar of Blind Willie Johnson, on up to the genre-defining sound of Lightnin' Hopkins and the late-in-life instrumental mastery of Mance Lipscomb. With such a dazzling array of Texas Blues players to choose from, a book devoted to Texas fingerstyle blues guitarists was a natural project to undertake. The artist featured in this book are: Blind Lemon Jefferson, Willie Reed, Blind Willie Johnson, Little Hat Jones, J. T. "Funny Papa" Smith, Smith Casey, Wallace Chains, Willie Lane, Lightnin' Hopkins, Lil' Son Jackson, Frankie Lee Sims and Mance Lipscomb. "Guitar Licks of the Texas Blues-Rock Heroes" details the solo styles of the legendary Lone Star State guitarists. Complete with essential stylistic details that make the music come alive, this volume contains 100 licks in the authentic styles of Stevie Ray Vaughan, Billy Gibbons, Johnny Winter, T-Bone Walker, Lightnin' Hopkins, Freddie King, Jimmie Vaughan, Eric Johnson, and more. Each lick has its own mini-lesson and is performed by the author at half and full tempo on the accompanying CD. This high quality planner is perfect for music fans. Always carry the book with you and write down your appointments, events, notes, etc. With 120 pages, the 6x9 inch book offers you plenty of space for your personal notes at work or in your free time. Contains piano accompaniment and guitar chords General Reference London Foster has had it. Trying her best to hold it together in Chicago, she is battling both the effects of her mother's death and the betrayal of her ex-girlfriend. Opting to throw herself into work and the gym, she at first ignores an invitation from her largely absentee father to take some time off at his estate in Texas. He may be the Chairperson of Foster Oil & Gas, but it doesn't change the fact

that he was never part of her life. Besides, she's up for a big promotion and sees it as the solution away from her one-way track into deep depression. In many ways, Natalie Silva is the complete opposite of London. Where London is pale, Natalie is sun-kissed. In that dark space deep down where London is filled with regrets and bitterness, Natalie radiates warm light. As a Texas native and sort-of Southern belle, Natalie is compassionate, kind and raised with a healthy dose of Southern hospitality. She's followed her passion for baking throughout her adult life and it's led her to being a co-owner of Mission Bakery - A popular bakery and food truck she manages with her lesbian aunts and the occasional help from her best friend's precocious daughter. After a years-old heartbreak, the one lesson she has taken through her life is to never fall for an outsider. You know the type - The mysterious, attractive out-of-towners who offer equal promise of passion and complications. London and Natalie are less than impressed with each other upon their first meeting. But fate and Texas have a very different and much more sensual plan for these two polar opposite women. In the sultry-hot summer heat, they will learn just as much about themselves and their lives as they will about each other...And it might just be everything they want. An instant New York Times bestseller! The definitive biography of guitar legend Stevie Ray Vaughan, with an epilogue by Jimmie Vaughan, and foreword and afterword by Double Trouble's Chris Layton and Tommy Shannon. Just a few years after he almost died from a severe addiction to cocaine and alcohol, a clean and sober Stevie Ray Vaughan was riding high. His last album was his most critically lauded and commercially successful. He had fulfilled a lifelong dream by collaborating with his first and greatest musical hero, his brother Jimmie. His tumultuous marriage was over and he was in a new and healthy romantic relationship. Vaughan seemed poised for a new, limitless chapter of his life and career. Instead, it all came to a shocking and sudden end on August 27, 1990, when he was killed in a helicopter crash following a dynamic performance with Eric Clapton. Just 35 years old, he left behind a powerful musical legacy and an endless stream of What Ifs. In the ensuing 29 years, Vaughan's legend and acclaim have only grown and he is now an undisputed international musical icon. Despite the cinematic scope of Vaughan's life and death, there has never been a truly proper accounting of his story. Until now. Texas Flood provides the unadulterated truth about Stevie Ray Vaughan from those who knew him best: his brother Jimmie, his Double Trouble bandmates Tommy Shannon, Chris Layton and Reese Wynans, and many other close friends, family members, girlfriends, fellow musicians, managers and crew members. In staff notation with tablature; includes guitar chord symbols. This high quality planner is perfect for music fans. Always carry the book with you and write down your appointments, events, notes, etc. With 120 pages, the 6x9 inch book offers you plenty of space for your personal notes at work or in your free time. The rich, complex lives of African Americans in Texas were often neglected by the mainstream media, which historically seldom ventured into Houston's Fourth Ward, San Antonio's East Side, South Dallas, or the black neighborhoods in smaller cities. When Bill Minutaglio began writing for Texas newspapers in the 1970s, few large publications had more than a token number of African American journalists, and they barely acknowledged the things of lasting importance to the African American community. Though hardly the most likely reporter—as a white, Italian American transplant from New York City—for the black Texas beat, Minutaglio was drawn to the African American heritage, seeking its soul in churches, on front porches, at juke joints, and anywhere else that people would allow him into their lives. His nationally award-winning writing offered many Americans their first deeper understanding of Texas's singular, complicated African American history. This eclectic collection gathers the best of Minutaglio's writing about the soul of black Texas. He profiles individuals both unknown and famous, including blues legends Lightnin' Hopkins, Amos Milburn, Robert Shaw, and Dr. Hepcat. He looks at neglected, even intentionally hidden, communities. And he wades into the musical undercurrent that touches on African Americans' joys, longings, and frustrations, and the passing of generations. Minutaglio's stories offer an understanding of the sweeping evolution of music, race, and justice in Texas. Moved forward by the musical heartbeat of the blues and defined by the long shadow of racism, the stories measure how far Texas has come . . . or still has to go. Stefan Grossman explores traditional playing styles through transcriptions of 22 tunes by master Texas blues guitar players. This high quality planner is perfect for music fans. Presents the art and life of the people of Texas. (Blues Play-Along). For use with all C, Bb, Eb, and Bass Clef instruments, the Hal Leonard Blues Play-Along series is the ultimate jamming tool for all blues musicians. With easy-to-read lead sheets and audio choices, these first-of-a-kind editions will bring your local blues jam right into your house! Each song includes two tracks: a full stereo mix, and a split track mix with removable guitar, bass, piano, and harmonica parts. 8 songs: Hide Away * If You Love Me like You Say * Mojo Hand * Okie Dokie Stomp * Pride and Joy * Reconsider Baby * T-Bone Shuffle * The Things That I Used to Do. The state of Texas has had a major presence in the Blues, from the earliest days of the recording era right on up to the present day. So many tremendous Blues musicians have hailed from Texas, i.e. Blind Lemon Jefferson, Lightnin' Hopkins, T-Bone Walker, Freddy King. This DVD focuses on the Country Blues guitarists who first defined the Texas Blues sound and who put Texas on the map as a prime location in Blues Country. In this DVD lesson you'll have an opportunity to learn from the music of the greatest of the early Country Blues singer/guitarists, Blind Lemon Jefferson, Texas sharecropper and songster Mance Lipscomb, the almost forgotten Otis Harris, ace lyricist Funny Papa Smith, the spectacular and under recorded Willie Reed, and the Post-War master Lil Son Jackson. This is powerful and challenging guitar music, and the technique building that will result from learning to play these songs will take your blues playing to a new level. A detailed tab/music booklet is included as a PDF file on the DVD. This includes all the lyrics to the songs as well as transcriptions of the guitar playing. The original old recordings of all the tunes is also included. En lo tocante a la ley y el orden, el este de Texas tiene sus propias normas¿ Un hecho que Darren Mathews, un "ranger" de Texas negro, conoce demasiado bien. Con sentimientos encontrados por haberse criado en el estado de la estrella solitaria, Mathews fue el primero de su familia en abandonar Texas y no mirar atrás. Hasta que el deber lo llama de nuevo a casa¿ Cuando la fidelidad a sus raíces pone en peligro su trabajo, sube por la autopista 59 hasta la pequeña ciudad de Lark, donde dos asesinatos (un abogado negro de Chicago y una mujer blanca de la localidad) han alborotado el avispero de los resentimientos. Darren debe resolver los crímenes, y salvarse en el proceso, antes de que estallen los antiguos conflictos raciales en Lark. "Texas Blues", una novela negra rural impregnada con la música, el color y los matices únicos del este de Texas, es una obra emocionante y oportuna sobre la colisión de raza y justicia en Estados Unidos.
