Climbing the Mountain Mar 19 2020 Allan Moffat is one of the legends of Australian motor sport. His extraordinary driving career, which lasted from the mid-1960s to the late 1980s, coincided with the heyday of touring car racing. His achievements included 32 Australian Touring Car wins, four of them at Bathurst, and four Championships. His Trans Am Mustang, surely the definitive racing touring car of all time, claimed more than 100 victories. But Moffat's impact went well beyond the winner's podium. He brought a new level of business professionalism to motor racing, pioneering the use of sponsorship in a way that would change the sport forever. Moffat, intense, reserved and driven, has been known as a man of few words. For years motor-sport fans have wanted to hear his story, and now Allan is telling it for the first time. His book is the compelling account of a young Canadian who moved to Australia with his family as a boy and became one of our greatest racing drivers. It's a tale of the epic rivalry with Peter Brock, which surprisingly culminated in a driving partnership and huge mutual respect, and it's about nostalgia for the glory days of motor sport in this country, when the concept of Holden versus Ford really did divide the nation, and when Mount Panorama was the true Mecca for hundreds of thousands, if not millions, of Australians. Filled with intense rivalries, huge egos, on-course stories and incidents, and all against the backdrop of our motor sport history over more than forty years, this is THE book for all fans of Australian motor racing.

Wide-Open Muscle Oct 26 2020 Climb inside these stunning muscle car drop-tops, straight from the classic era of American high-performance cars! Today's rarest, priciest, and most highly sought-after muscle cars are also the least practical. These are the striking convertibles of the 1960s and 1970s that were optioned out for drag racing. Wide-Open Muscle showcases these rare cars and proves that sometimes it pays to throw practicality out the window in order to make something purely cool and fun to drive. At the peak of drag racing popularity, it was common knowledge that racers needed the lightest, most rigid-framed cars available. Convertibles represent the exact opposite of that description, so it's amazing that these drop tops ever emerged amid the circle of full-throttle dragsters. While typical

convertible drivers cruised around listening to the latest Lovin' Spoonful release in the eight-track tape deck, these muscle-car convertibles were equipped for rock 'n' roll speed. These topless muscle cars are so rare because few people had the dedication (or money) to buy a vehicle this impractical. They're valuable because they represent the absolute extreme of the entire muscle-car genre. All the cars in Wide-Open Muscle are shot in similar fashion, studio-style with a black background using a process known as light painting. It is the ultimate portrayal of the ultimate muscle cars.

This Tender Land Nov 26 2020 INSTANT NEW YORK TIMES BESTSELLER! "If you liked Where the Crawdads Sing, you'll love This Tender Land...This story is as big-hearted as they come." —Parade The unforgettable story of four orphans who travel the Mississippi River on a life-changing odyssey during the Great Depression. In the summer of 1932, on the banks of Minnesota's Gilead River, Odie O'Banion is an orphan confined to the Lincoln Indian Training School, a pitiless place where his lively nature earns him the superintendent's wrath. Forced to flee after committing a terrible crime, he and his brother, Albert, their best friend, Mose, and a brokenhearted little girl named Emmy steal away in a canoe, heading for the mighty Mississippi and a place to call their own. Over the course of one summer, these four orphans journey into the unknown and cross paths with others who are adrift, from struggling farmers and traveling faith healers to displaced families and lost souls of all kinds. With the feel of a modern classic, This Tender Land is an enthralling, big-hearted epic that shows how the magnificent American landscape connects us all, haunts our dreams, and makes us whole.
