How can fire fighter families cope with the emotional toll of loving a first responder? There are ceaseless worries--about the physical dangers of the profession, the cumulative stress, and the long hours spent away from home. In this compassionate and knowledgeable guide--now fully revised and updated--psychologist Ellen Kirschman shares sage advice and practical strategies for when times get tough. From dealing with occupational hazards like trauma, marital tension, and substance use problems, to the psychological effects of fighting wildland fires, Dr. Kirschman understands the unique challenges of life on the front lines. With candor and wisdom, she shows fire fighters and their loved ones how to navigate the highs and lows of "the best job in the world." "Defund the police!" is shouted in the streets. A.C.A.B. is spray painted on precinct buildings. Countless citizens believe all police are racists. In this era of civil unrest and political divide, how do Black cops—or any cops—maintain the motivation and commitment to do their job? Former police officer, co-founder of BLEXIT, and Founder and CEO of The Officer Tatum—Brandon Tatum shares his story and the stories of other police officers in the pages of his new book, Beaten Black and Blue. Read why they joined the force, what it's really like on the streets, and how they continue to fight the good fight. Forget what you think you know and learn the truth! In this thriller in the #1 New York Times bestselling phenomenon, Eve Dallas tracks down those who break the law—including the ones sworn to uphold it. Detective Eve Dallas and her partner, Peabody, are following up on a senseless crime—an elderly grocery owner killed by three stoned punks for nothing more than kicks and snacks. This is Peabody's first case as primary detective—good thing she learned from the master. But soon Peabody stumbles upon a trickier situation. After a hard workout, she's all alone in the locker room when the gym door clatters open, and—while hiding inside a shower stall trying not to make a sound—she overhears two fellow officers arguing. It doesn't take long to realize they're both crooked—guilty not just of corruption but of murder. Now Peabody, Eve, and Eve's husband, Roarke, are trying to get the hard evidence they need to bring down the dirty cops—knowing all the while that the two are willing to kill to keep their secret. You have the right to remain sexy. Anything you say can and will be used to get you in my bed. You have the right to use my body to give yourself a delirious, life-changing orgasm. If you have trouble...don't worry, I'm a bit of an expert in that department. There's nothing 'thin' about my blue line, if you catch my drift, and trust me, I know how to put those handcuffs to good use. From New York Times bestselling author Laurelin Paige and USA Today bestselling author Sierra Simone comes a steamy contemporary romantic follow-up to last year's bestseller P*rn Star. In the vein of Erin Brockovich, The Departed, and T. J. English's Savage City comes Busted, the shocking true story of the biggest police corruption scandal in Philadelphia history, a tale of drugs, power, and abuse involving a rogue narcotics squad, a confidential informant, and two veteran journalists whose reporting drove a full-scale FBI probe, rocked the City of Brotherly Love, and earned a Pulitzer Prize . In 2003, Benny Martinez became a Confidential Informant for a member of the Philadelphia Police Department's narcotics squad, helping arrest nearly 200 drug and gun dealers over seven years. But that success masked a dark and dangerous reality: the cops were as corrupt as the criminals they targeted. In addition to fabricating busts, the squad systematically looted mom-and-pop stores, terrorizing hardworking immigrant owners. One squad member also sexually assaulted three women during raids. Frightened for his life, Martinez turned to Philadelphia Daily News reporters Wendy Ruderman and Barbara Laker. Busted chronicles how these two journalists—both middle-class working mothers—formed an unlikely bond with a convicted street dealer to uncover the secrets of ruthless kingpins and dirty cops. Professionals in an industry shrinking from severe financial cutbacks, Ruderman and Laker had few resources—besides their own grit and tenacity—to break a dangerous, complex story that would expose the rotten underbelly of a modern American city and earn them a Pulitzer Prize. A page-turning thriller based on superb reportage, illustrated with eight pages of photos, Busted is modern true crime at its finest. This “expertly written” true story of an honest

New York cop who loses his head and his heart while undercover reads like “a high-caliber TV miniseries” (Publishers Weekly). On the eve of his second wedding anniversary, Chris Anastos feels secure in his marriage and in his work with the NYPD’s anticrime unit in the South Bronx. A summons to the downtown headquarters of the Intelligence Division spells trouble, however. Links between the Italian mob and a Greek criminal network in Queens have been discovered, and investigators want the Greek-American cop to go undercover. Reluctantly, Anastos agrees. For five years he plays his role to perfection, moving back and forth between his comfortable home life and a murky, underground world of wiseguys, pimps, bookies, racketeers, thieves, and heroin dealers. But when the happily married cop falls in love with the beautiful, raven-haired daughter of a Long Island capo, he faces his gravest threat yet. From the acclaimed author of *A Death in Canaan* and *A Death in California*, this is the unforgettable true story of a good man torn between passion and principle. Police officers today face unprecedented challenges--anti-police sentiment, increased danger, massive public scrutiny, and the ever-present threat of terrorism. Now thoroughly updated, this trusted resource has already helped over 125,000 police families manage the stress of the job and create a supportive home environment where everyone can thrive. The third edition includes new stories from police families, new chapters on relationships and living through troubled times, and fully updated resources. Discussions of trauma and resilience, domestic abuse, and addictions have been expanded with the latest information and practical advice. Whether they read the book cover to cover or refer to it when problems arise, families will find no-nonsense guidance they can depend on. Mental health professionals, see also *Counseling Cops: What Clinicians Need to Know*, by Ellen Kirschman, Mark Kamena, and Joel Fay. Rescuing a cop from a burning precinct is in Max’s job description; falling in love was never part of the deal. Max Harrison moved from the city to take up a role as assistant to the mayor, while also a volunteer firefighter. When he meets Finn Ryan in Ellery, he falls in lust that burns as hot as the fires being set in town. Finn Ryan is a cop, and somehow he’s attracted trouble. Going back into a fire to rescue the town drunk is just the start. Now he has to rely on the man he’s falling for to make sure it doesn’t end with him dying. #1 NEW YORK TIMES BESTSELLER • NATIONAL BOOK AWARD WINNER • NAMED ONE OF TIME’S TEN BEST NONFICTION BOOKS OF THE DECADE • PULITZER PRIZE FINALIST • NATIONAL BOOK CRITICS CIRCLE AWARD FINALIST • ONE OF OPRAH’S “BOOKS THAT HELP ME THROUGH” • NOW AN HBO ORIGINAL SPECIAL EVENT Hailed by Toni Morrison as “required reading,” a bold and personal literary exploration of America’s racial history by “the most important essayist in a generation and a writer who changed the national political conversation about race” (Rolling Stone) NAMED ONE OF THE MOST INFLUENTIAL BOOKS OF THE DECADE BY CNN • NAMED ONE OF PASTE’S BEST MEMOIRS OF THE DECADE • NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY The New York Times Book Review • O: The Oprah Magazine • The Washington Post • People • Entertainment Weekly • Vogue • Los Angeles Times • San Francisco Chronicle • Chicago Tribune • New York • Newsday • Library Journal • Publishers Weekly In a profound work that pivots from the biggest questions about American history and ideals to the most intimate concerns of a father for his son, Ta-Nehisi Coates offers a powerful new framework for understanding our nation’s history and current crisis. Americans have built an empire on the idea of “race,” a falsehood that damages us all but falls most heavily on the bodies of black women and men—bodies exploited through slavery and segregation, and, today, threatened, locked up, and murdered out of all proportion. What is it like to inhabit a black body and find a way to live within it? And how can we all honestly reckon with this fraught history and free ourselves from its burden? *Between the World and Me* is Ta-Nehisi Coates’s attempt to answer these questions in a letter to his adolescent son. Coates shares with his son—and readers—the story of his awakening to the truth about his place in the world through a series of revelatory experiences, from Howard University to Civil War battlefields, from the South Side of Chicago to Paris, from his childhood home to the living rooms of mothers whose children’s lives were taken as American plunder. Beautifully woven from personal narrative, reimagined history, and fresh, emotionally charged reportage, *Between the World and Me* clearly illuminates the past, bracingly confronts our present, and offers a transcendent vision for a way forward. This book is designed to help law enforcement professionals overcome the internal assaults they experience both personally and organizationally over the course of their careers. These assaults can transform idealistic and committed officers into angry, cynical individuals, leading to significant problems in both their personal and professional lives. Acclaimed for her moving depictions of interracial love, bestselling author Sandra Kitt delivers a passionate and provocative tale of modern romance An artist trapped in an unfulfilling relationship, Leah Downey wants more out of life. But she plays it safe, never venturing too far from her comfort zone . . . not since the night she was mugged at knifepoint. Beginning a relationship with a perfect stranger is completely out of character for Leah. But something about Jason Horn strikes a chord deep within her. They couldn’t be more different. Jason is white, a streetwise New York cop haunted by his own demons. He’s stunned by his instant attraction to this vibrant black woman who arouses both desire and his fiercest protective instincts. ONE OF BARACK OBAMA'S FAVORITE BOOKS OF THE YEAR NAMED A BEST BOOK OF THE YEAR BY NPR, PARADE, REAL SIMPLE, and BUZZFEED AN INSTANT NEW YORK TIMES BESTSELLER A GOOD MORNING AMERICA BOOK CLUB PICK "[Moore’s] careful balance of the hard-bitten with the heartfelt is what elevates *Long Bright River* from entertaining page-turner to a book that makes you want to call someone you love.” – The New York Times Book Review "This is police procedural and a thriller par excellence, one in which the city of Philadelphia itself is a character (think Boston and *Mystic River*). But it’s also a literary tale narrated by a strong woman with a richly drawn personal life – powerful and genre-defying.” – People "A thoughtful, powerful novel by a writer who displays enormous compassion for her characters. *Long Bright River* is an outstanding crime novel... I absolutely loved it." —Paula Hawkins, #1 New York Times-bestselling author of *The Girl on the Train* Two sisters travel the same streets, though their lives couldn't be more different. Then one of them goes missing. In a Philadelphia neighborhood rocked by the opioid crisis, two once-inseparable sisters find themselves at odds. One, Kacey, lives on the streets in the vise of addiction. The other, Mickey, walks those same blocks on her police beat. They don't speak anymore, but Mickey never stops worrying about her sibling. Then Kacey disappears, suddenly, at the same time that a mysterious string of murders begins in Mickey's district, and Mickey becomes dangerously obsessed with finding the culprit--and her sister--before it's too late. Alternating its present-day mystery with the story of the sisters' childhood and adolescence, *Long Bright River* is at once heart-pounding and heart-wrenching: a gripping suspense novel that is also a moving story of sisters, addiction, and the formidable ties that persist between place, family, and fate. **NOW A MAJOR FILM STARRING HARRY STYLES** This love is all-consuming It is in 1950s' Brighton that Marion first catches sight of the handsome and enigmatic Tom. He teaches her to swim in the shadow of the pier and Marion is smitten - determined her love will be enough for them both. A few years later in Brighton Museum Patrick meets Tom. Patrick is besotted with Tom and opens his eyes to a glamorous, sophisticated new world. Tom is their policeman, and in this age it is safer for him to marry Marion. The two lovers must share him, until one of them breaks and three lives are destroyed. 'A sensitive, sweeping novel' VOGUE 'Tense, romantic, smart...I loved it. Devoured it!' RUSSELL T. DAVIES 'A powerful story of forbidden love, regret, and living as your true self' VANITY FAIR 'A moving story of longing and frustration' OBSERVER Now updated with new material, the groundbreaking history of how police forces have become militarized, both in equipment and mindset, and what that means for American democracy. The last days of colonialism taught America's revolutionaries that soldiers in the streets bring conflict and tyranny. As a result, our country has generally worked to keep the military out of law enforcement. But according to investigative reporter Radley Balko, over the last several decades, America's cops have increasingly come to resemble ground troops. The consequences have been dire: the home is no longer a place of sanctuary, the Fourth Amendment has been gutted, and police today have been conditioned to see the citizens they serve as an other-an enemy. Today's armored-up policemen are a far cry from the constables of early America. The unrest of the 1960s brought about the invention of the SWAT unit-which in turn led to the debut of military tactics in the ranks of police officers. Nixon's War on Drugs, Reagan's War on Poverty, Clinton's COPS program, the post-9/11 security state under Bush, Obama: by degrees, each of these innovations empowered police forces, always at the expense of civil liberties. And under Trump, these powers were expanded in terrifying new ways, as evidenced by the tanks and overwhelming force that met the Black Lives Matter protesters in 2020. In *Rise of the Warrior Cop*, Balko shows how politicians' ill-considered policies and relentless declarations of war against vague enemies like crime, drugs, and terror have blurred the distinction between cop and soldier. His fascinating, frightening narrative shows how over a generation, a creeping battlefield mentality has isolated and alienated American police officers and put them on a collision course with the values of a free society. Marriage is under attack - especially for the law enforcement family. Through this book, Kristi Neace brings to the forefront stresses not uncommon in a law enforcement marriage. Things such as lack of communication, rotating shifts, job stress, missed special occasions, fatigue, cynicism, alcoholism, and a host of other parasites that can plague a marriage. Without finding the "glue" to hold your relationship together, as she points out, the odds are not favorable. Yet, there is hope! Marriages do survive and can thrive with the proper tools in place. When your marriage comes under fire....be bullet proof! To save her own life, Nina Bloom vanished. Now, to rescue an innocent man, she confronts the killer she thought she had escaped forever. A successful lawyer and loving mother, Nina Bloom would do anything to protect the life she's built in New York - including lying to everyone, even her daughter, about her past. Nina's secret life began eighteen years ago. She had a carefree existence in Key West, a handsome police-officer husband, and a baby on the way. But Nina's world is shattered when she unearths a terrible secret that causes her to run for her life and change her identity. Now, years later, when an innocent man is framed for murder, Nina knows she must return to Florida and confront the murderous evil she fled. Will police work change the person you love? Are police marriages destined to fail? What are the chances of your loved one being killed in the line of duty? Separating fact from myth, Dr. Ellen Kirschman answers these and other critical questions in the first comprehensive self-help book created specifically for today's police families. In information-filled chapters, readers will go behind the scenes with other police families as they discuss the benefits and pitfalls of police work; learn how to manage the effects of organizational stress and the pressures of unpredictable schedules, long hours and loneliness; gain awareness of the emotional, physical, and behavioral warning signs which can lead to such extreme situations as posttraumatic stress, alcoholism, suicide and domestic violence; find out where families can go for help and counseling; and get an inside look at cop couples and the special challenges facing women, minorities, and gays and lesbians on the force. Marriage is hard, but marriage to a police officer is even harder. Shift work, mood swings, and risk take a toll, but with the right mindset, it can be done, and it can be done well. A CHiP on my Shoulder provides true stories from several marriages, positive thoughts, and proven principles for making a law enforcement marriage not only survive its difficulties, but thrive in the midst of them. What's the difference between a cop and Kevin Maher? Kevin doesn't have a badge. And he doesn't play by the rules. *Cop Without A Badge* tracks confidential informant Kevin Maher as he helps the NYPD, the FBI, and many other law enforcement agencies solve cases that range from robbery to extortion to homicide. In the process, Kevin becomes the highest paid CI the DEA ever had. But Kevin's motives are more complicated than simply

money. Having been arrested for Grand Theft Auto at the age of sixteen, his felony conviction prevents him from being what he always wanted to be: a police officer. So now he's out to prove to himself he truly is what he could've been. A cop. Even without a badge. Kevin Maher was 39 years old and living in New Jersey in 1996 when *Cop Without A Badge* was first published. Maher now works as a private investigator in the state of California. INSTANT NEW YORK TIMES BESTSELLER

An urgent warning about the growing threat to our democracy from a twenty-year police veteran and former Trump supporter who nearly lost his life during the insurrection of January 6th. When Michael Fanone self-deployed to the Capitol on January 6, 2021, he had no idea his life was about to change. When he got to the front of the line, he urged his fellow officers to hold it against the growing crowd of insurrectionists—until he found himself pulled into the mob, tased until he had a heart attack, and viciously beaten with a Blue Lives Matter flag as shouts to kill him rang out. Now, Fanone is ready to tell the full story of that fateful day, along with exploring our country's most critical issues as someone who has had firsthand experience with many of them. A self-described redneck who voted for Trump in 2016, Fanone's closest friend was an informant—a Black, transgender, HIV-positive woman who has helped him mature and rethink his methods as a police officer. With his unique insight as an undercover detective and intense desire to do the right thing no matter the cost, Fanone provides a nuanced look into everything from policing to race to politics in a way that is accessible across all party lines.

Determined to make sure no one forgets what happened at the Capitol on January 6th, Fanone has written a timely call to action for anyone who wants to preserve our democracy for future generations. THE go-to book for spouses of law enforcement officers based on the input of over 1000 police families, updated research, and the author's experience of almost 30 years of marriage to a California Highway Patrolman. Support, encouragement, proven tips and positive perspectives that support both the home and the law enforcement career. This third edition is completely updated with an updated title and cover, new publisher, and the addition of 30K words. Better than ever! *** Can't wait for the next series of YOU? Then don't miss this, the sequel, now a major Netflix series *** YOU was a word of mouth bestseller around the world -- and now Joe Goldberg is back! Joe Goldberg came to Los Angeles to start over, to forget about what happened in New York. But in a darkened room in Soho House everything suddenly changed. She is like no one he's ever met before. She doesn't know about his past and never can. The problem is, hidden bodies don't always stay that way. Praise for You: 'THRILLER OF THE YEAR' Daily Mail 'I am RIVETED, AGHAST, AROUSED you name it. The rare instance when prose and plot are equally delicious' Lena Dunham 'Hypnotic and scary' Stephen King 'Brilliant thriller with attitude, guts and true insight into the nature of obsession' Sophie Hannah 'A fantastically creepy thriller... The kind of book you put your life on hold for' Glamour 'Clever and chilling' Elle 'A brilliant tale ... It's Gone Girl meets a sinister version of Girls' Marie Claire 'An addictive thriller!' Closer OUT OF SIGHT was made into the highly-acclaimed movie starring George Clooney and Jennifer Lopez. Jack Foley was busting out of Florida's Glades Prison when he ran head-on into Karen Sisco with a shotgun. Suddenly the world-class gentleman felon was sharing a cramped car trunk with a disarmed federal marshal - whose Chanel suit cost more than the take from Foley's last bank job - and the chemistry was working overtime. Here's a lady Jack could fall for in a big way, if she weren't a dedicated representative of the law that he breaks for a living. And as soon as she escapes, he's already missing her. But there are some seriously bad men and a major score waiting for Jack in Motown. And there's a good chance that when his path crosses Karen's again, she's going to be there for business, not pleasure. Nothing worth doing is easy--and that includes loving a cop. Being a member of the law enforcement community is a source of pride for officers and families alike. But long hours, unpredictable shifts, and the crisis-driven nature of the profession can turn life on the home front into an emotional roller coaster. Dr. Ellen Kirschman, a psychologist who's worked with police officers for more than 30 years, gives you practical ways to deal with the challenges that come with the territory. Packed with stories from cops and their significant others, this book explains how to reduce spillover from on-the-job stress and cope with loneliness or worry during extended deployments. Dr. Kirschman acknowledges the tough realities of 21st-century law enforcement and offers frank, realistic suggestions for handling serious issues like alcohol abuse and domestic violence. She also covers special topics for women and minorities on the force. Whether you read it from cover to cover or reach for it when problems arise, I Love a Cop is an indispensable tool that everyone in your family can depend on. Mental health professionals, see also *Counseling Cops: What Clinicians Need to Know*, by Ellen Kirschman, Mark Kamena, and Joel Fay. Jessie Jones is living the life--except for the fact that she earns it by working the streets. She's been under pimp Spence's thumb for fourteen years, and she isn't looking for change. That is, until undercover cop Gabe walks into her life and offers her something she's never had before: a love, a future, a home. But even if Jessie could walk away from Spence, there are darker forces of evil who want her to stay put, or worse, dead. In this romantic suspense, author Heather Huffman delivers an adventure from the vibrant streets of St. Louis to the caves of the Ozarks as Jessie discovers whether she can love another, whether she can love herself, and whether any of it is enough. Don't miss Heather Huffman's other books: "Suddenly a Spy," "Jailbird," "Ties That Bind," "Ring of Fire," "Tumbleweed," "Devil in Disguise," "Roses in Ecuador," "Fool's Game," "Waiting for You," "The Vance Davis Dossier," and "Finding Broken Arrow"! Audisee® eBooks with Audio combine professional narration and text highlighting for an engaging read aloud experience! Let's Meet a Police Officer! Do you want to learn more about police cars? Police dogs? Other tools the police use? Then it's your lucky day! Officer Gabby is a police officer. She knows how to keep people safe. She shows a group of kids how she does her job. Three cheers for police officers! "Cartoon-style animated drawings in bright colors introduce diverse characters who will capture children's interest." —School Library Journal "In each book introducing a community-benefiting career, schoolchildren meet one adult to learn about his or her job; information includes the training required to become a firefighter, doctor, etc., daily routines, and primary responsibilities. The content is inclusive and up-to-date but delivered through vapid stories. Peppy computer-generated cartoons are amateur." - The Horn Book Guide

Free downloadable series teaching guide available. While some try to get out of prison, Soapy, the only character in O. Henry's short story, tries to get into it. Soapy is a homeless guy who prefers the warm cell to the cold night under the New York sky. He does everything he can think of in order to draw the attention of the police. However without any success. Until he hears a magical organ anthem. How will this story develop? Will Soapy manage to get into jail or he will find another way to sort out his life? "The Cop and the Anthem" is a comical short story with a touch of irony which emphatically presents the lower class and the obstacles man has to face. William Sidney Porter (1862-1919), known simply as O. Henry, was a prolific American author of humorous literary pieces. His fame came exceptionally quickly and he became a bestselling author of short story collections, among the most famous being "Cabbages and Kings", "The Voice of the City", and "Strictly Business." As a result of the outstanding literature legacy that O. Henry left behind, there is an American annual award after his name, given to exceptional short stories. The third novel in the bestselling Alex Cross series _____ 'No one gets this big without amazing natural storytelling talent - which is what Jim has, in spades. The Alex Cross series proves it.' LEE CHILD, international bestselling author of the Jack Reacher series _____ Washington DC is under siege and Detective Alex Cross has work to do. A controversial Senator is found murdered in his bed and a young girl is savagely killed. Alex Cross is under pressure from both sides and faced with an impossible choice. Alex must do the impossible but the people of Washington aren't safe, and the clock is ticking before the killer sets their sights on their ultimate target. Can he catch the killer behind these nefarious crimes in time? He was one of the most decorated cops in the history of NYPD. From his "wiseguy" relatives, he learned the meaning of honor and loyalty. From his fellow cops, he learned the meaning of betrayal. MAFIA COP His father, Ralph "Fat the Gangster" Eppolito, was stone-cold Mafia hit-man. Lou Eppolito, however, chose to live by different code; he chose the uniform of NYPD. And he was one of the best -- a good, tough, honest cop down the line. But even his sterling record, his headline-making heroism, couldn't protect him when the police brass decided to take him down. Although completely exonerated of charges that he had passed secrets to the mob, Lou didn't stand a chance. They had taken something from him they couldn't give back: his dignity and his pride. Now, here's the powerful story, told in Lou Eppolito's own words, of the bloody Mafia hit that claimed his uncle and cousin...of his middle-of-the-night meeting with "Boss of Bosses" Paul Castellano...of one good cop who survived eight shootouts and saved hundreds of victims, who was persecuted, prosecuted, and ultimately betrayed by his own department. Full of hard drama and gritty truth, Mafia Cop gives a vivid, inside look at life in the Family, on the force, and on the mean streets of New York. A "former cop sets the record straight in this ... memoir about his youth selling crack in the '80s with one of NYC's toughest gangs and later rise through the ranks of the NYPD to become a community leader"-- Describes ways that the families of police officers can deal with the challenges that arise due to the stress of a police officer's career. Instant New York Times Bestseller Best of 2017 - included on best-of lists by the New York Times, NPR, Barnes & Noble, Publisher's Weekly, LitHub, BookPage, Booklist, TheRealBookSpy.com, the Financial Times (UK) and the Daily Mail (UK) "The Force is mesmerizing, a triumph. Think The Godfather, only with cops. It's that good." — Stephen King The acclaimed, award-winning, bestselling author of *The Cartel*—voted one of the Best Books of the Year by more than sixty publications, including the New York Times—returns with a cinematic epic as explosive, powerful, and unforgettable as *Mystic River* and *The Wire*. Our ends know our beginnings, but the reverse isn't true . . . All Denny Malone wants is to be a good cop. He is "the King of Manhattan North," a highly decorated NYPD detective sergeant and the real leader of "Da Force." Malone and his crew are the smartest, the toughest, the quickest, the bravest, and the baddest, an elite special unit given unrestricted authority to wage war on gangs, drugs and guns. Every day and every night for the eighteen years he's spent on the Job, Malone has served on the front lines, witnessing the hurt, the dead, the victims, the perps. He's done whatever it takes to serve and protect in a city built by ambition and corruption, where no one is clean—including Malone himself. What only a few know is that Denny Malone is dirty: he and his partners have stolen millions of dollars in drugs and cash in the wake of the biggest heroin bust in the city's history. Now Malone is caught in a trap and being squeezed by the Feds, and he must walk the thin line between betraying his brothers and partners, the Job, his family, and the woman he loves, trying to survive, body and soul, while the city teeters on the brink of a racial conflagration that could destroy them all. Based on years of research inside the NYPD, this is the great cop novel of our time and a book only Don Winslow could write: a haunting and heartbreaking story of greed and violence, inequality and race, crime and injustice, retribution and redemption that reveals the seemingly insurmountable tensions between the police and the diverse citizens they serve. A searing portrait of a city and a courageous, heroic, and deeply flawed man who stands at the edge of its abyss, *The Force* is a masterpiece of urban living full of shocking and surprising twists, leavened by flashes of dark humor, a morally complex and utterly riveting dissection of modern American society and the controversial issues confronting and dividing us today. *A Marriage in Progress - Tactical Support for Law Enforcement Relationships* is the law enforcement training manual for off-duty life. Written specifically to and for officers, Victoria looks at relationships through principles and examples of police training and culture. It includes positive perspectives, real stories, encouragement, practical tools, and personal examples for how to improve your personal life as a member of law enforcement. What officers say about A Marriage in

Progress: "This book covers more ground than anything available today." - Oklahoma "Knocks it out of the park!" - California "An unparalleled tool" - Tennessee "She tells it like it is and doesn't pull punches" - Texas "Takes us to a place where we can walk it through" - California "Nuggets of pure gold wisdom in a down-to-earth, true-to-life, completely genuine way" - Virginia "Relevant, relational and resourceful" - Georgia "It could save not only marriages, but lives" - Pennsylvania "One of the best police family resource books I've ever read!" National Police Wives Association Author and speaker Victoria M. Newman has over 27 years of marriage with her Chief of the California Highway Patrol, fifteen years of experience supporting spouses in family-related problems, and has compiled information from over 1,000 law enforcement families for this work. A peek inside the gritty underbelly of Melbourne's police world, through the lens of a young female cop. Sharing the personal, sexual, & business life of author, Wilkins as she navigated her first years as a cop. A humorous, often confronting look at what it is to be a woman in uniform. Brings human side of being in law enforcement to light. Grounded in clinical research, extensive experience, and deep familiarity with police culture, this book offers highly practical guidance for psychotherapists and counselors. The authors vividly depict the pressures and challenges of police work and explain the impact that line-of-duty issues can have on officers and their loved ones. Numerous concrete examples and tips show how to build rapport with cops, use a range of effective intervention strategies, and avoid common missteps and misconceptions. Approaches to working with frequently encountered clinical problems--such as substance abuse, depression, trauma, and marital conflict--are discussed in detail. A new preface in the paperback and e-book editions highlights the book's relevance in the context of current events and concerns about police-community relations. See also Kirschman's related self-help guide I Love a Cop, Third Edition: What Police Families Need to Know, an ideal recommendation for clients and their family members. On October 24, 2014, a thrice-deported evildoer and his wife engaged in a Bonnie and Clyde-like crime spree through the Sacramento (CA) region, killing Deputy Danny Oliver and Detective Michael Davis. They also severely wounded a third deputy and a civilian. More victims and witnesses were terrorized as a several-hour manhunt ensued, resulting in several carjackings and shootings. Schools and neighborhoods were put on lockdown. The effects of chaos reverberated throughout the region until both were taken into custody. But it was only the beginning of a long journey of loss, grief, post-traumatic stress, and a painful trial. For years afterward, this day tormented the souls of many more officers, claiming marriages, careers, and peace of mind. Deputy Scott Brown, Oliver's partner and friend, was the first to face this evil and survive. With his wife, Liz, by his side, he embarked on a long and difficult journey through layers of grief, survivor's guilt and post-traumatic stress. Together, Scott and Liz continue to pursue healing, embracing a new mission to help others along the way. "This is REAL--it is not a romanticized or dramatized version of a law enforcement career. Facing Evil represents what it is truly like to be a human being who wears a uniform and a badge. This book will punch you in the gut, touch your heart and open your eyes." Kathy H. Thomas, PhD., Warrior's Rest Foundation, Clinical Director "Scott Brown takes readers to the authentic place where police officers in America live -- the raw and untold sacrifices they make on the job and at home to keep us all safe. He describes in uncanny detail an event that shocked the country with the heinous headlines of a cop killer so filled with hate he couldn't even contain his courtroom outburst years after his crimes." Ty Steele, News Anchor "Listen to Scott's words! These are lessons and insights mired in road rash and shared with a level of vulnerability rarely seen in our profession, as he navigated the aftermath of the violent death of brothers in arms." Jeremy Kopp, Undersheriff of Gallatin County Sheriff's Office, Montana "Those who make this journey, together, share a special bond that only they can fully understand. This is a story of that special bond and the day two partners confronted evil ... and how triumph will continually rise out of that tragedy." Jim Bontrager, Vice-President of International Conference of Police Chaplains "Facing Evil tells of heartbreak, community, resource, deep faith, forgiveness (the toughest kind) and healing...after the abyss has had its turn looking long back into those who stand in that Thin Blue Line." Karen Lansing, LMFT, BCETS "Guided by faith and friendship, the author recounts how he overcame the "survivor's guilt" that had nearly destroyed his spirituality, family and career. Facing Evil is a must read for every law enforcement officer and significant other!" Michael Stolzman, President of Northern California C.O.P.S. Police officers today face unprecedented challenges--anti-police sentiment, increased danger, massive public scrutiny, and the ever-present threat of terrorism. Now thoroughly updated, this trusted resource has already helped over 125,000 police families manage the stress of the job and create a supportive home environment where everyone can thrive. The third edition includes new stories from police families, new chapters on relationships and living through troubled times, and fully updated resources. Discussions of trauma and resilience, domestic abuse, and addictions have been expanded with the latest information and practical advice. Whether they read the book cover to cover or refer to it when problems arise, families will find no-nonsense guidance they can depend on. Mental health professionals, see also Counseling Cops: What Clinicians Need to Know, by Ellen Kirschman, Mark Kamena, and Joel Fay. She's sworn to protect her heart After what Laura Vennetti and her son have been through, she's avoided all contact with the police. Then her son brings detective Ethan Winter into their lives. Despite how appealing--and gorgeous--he is, it's safe to say Ethan isn't her dream man. Immediately, though, Laura can see how different he is from her late husband. Ethan is thoughtful, considerate and a good influence on her son. Add in the intense attraction between her and Ethan... The temptation to give in is irresistible. To her surprise, Laura feels the wounds of the past healing, making her wonder if she could love this cop forever.
